

Oakland County Bar Association

Mentor Volunteer Form

One of the unique services of the Oakland County Bar Association is its Mentor Program that matches a new admittee to the Bar with a seasoned practitioner. The Mentor Program was designed to:

- assist new attorneys by providing them someone to whom they can turn to ask questions;
- introduce them to other members of the Bar and Bench;
- allow Mentors an opportunity to accompany new attorneys to Association events on occasion; and
- assist new attorneys to get involved in OCBA activities and take advantage of OCBA membership.

How the program works:

When a new attorney is admitted, they are given an opportunity to request a Mentor. The Mentor will be notified via fax stating that the new admittee has been given your name. It is the responsibility of the assigned Mentor to make the original contact. The Mentor Program encourages a high level of competence, civility, and professionalism among Oakland County attorneys.

If you would like to become a Mentor, please complete the following portion of this sheet and you will be included on the OCBA's list of mentors. *Please complete and fax this form to (248) 334-7757.*
